"Tahuka" Architectural Masterpiece

A masterfully designed private retreat from architect, Alex Popov, offering a unique mixture of openness and space with privacy and security.

Floor to ceiling glass on both sides of the main pavilion bring indoor/outdoor living to life and the orientation of the house and the greenery provide great privacy.

Situated up a gated sandstone driveway on the well-elevated 1,173 M2 block sits a lovely and light home with almost 400 M2 of living space.

It is a fantastic home for entertaining as much as it is a sanctuary.
