Fabulous Family Home - Pets Welcome!

This charming freestanding home is on the high side of the street and offers rear lane access for garaging.

Light-filled and very private, this is very much a family home. The house sits high, enjoying district views. Its practical, flowing design encompasses a combined living/dining room with open fireplace, opening through French doors to a substantial terrace, where loads of winter sun filters through the tree tops – perfect for alfresco entertaining and lazy afternoons.

The attractive, timber-floored kitchen has stone bench tops, wall oven and masses of storage + level access to the back yard.
