Generous Family Home in Quiet Bushland Setting

Stunning and substantial family home set on 1157 sqm of land, in a calm oasis overlooking Lane Cove Bushland Park in Greenwich. Fall in love with this exceptional residence, the peace and quiet of the bush and the warmth of the Greenwich community.

An opportunity to buy a beautiful home, which has never been offered for sale before.

Architects were commissioned in 1991 to design a generous house on multiple levels to provide comfort and amenity that blends sympathetically with the bushland setting. The result is a light and airy home with extended height ceilings with fresh timber floors throughout. The double brick construction keeps it warm in winter and cool in summer. The attached garage fits two large vehicles with further parking for three cars on the level driveway.
