Rare Opportunity On Prized Greenwich Point

A blue-ribbon offering of character, space and light. This home is one of Australia's most amazing examples of Mid Century Modern Architecture, still in original condition.

The crisp clean lines and great expanses of glass appear to float in air and speak of timeless Modernism. From one direction there are views across Sydney Harbour and to the other, an awe-inspiring panorama of an ancient Banyan Tree.

The 720sqm approx. property offers the astute buyer the chance to reimagine or totally rebuild. Expansive city and water views can be further enhanced, while a prized rear to north yard has beautiful established gardens
