### Masterful contemporary design

This remarkable architect-designed residence offers up two exquisite levels of pure perfection. Extravagant and opulent, functional and comfortable, this flawless home has been crafted with the highest quality materials and high-end custom inclusions.

Encased in an expanse of glass, vast open-plan living spaces are illuminated with natural light, and spill out effortlessly to private outdoor entertaining. Whether you're taking a dip in the covered, all-seasons salt water swimming pool; relaxing in the purpose-built steam room; cooking in the spectacular chef's kitchen; kicking back watching a movie in the media room, or resting in one of the sumptuous bedrooms (each with its own en-suite,) every space in this extraordinary residence is designed to provide you with a premium living experience.
