D.A. Approved Opportunity on Greenwich Point

Situated in a tightly held location this updated original two-storey home is one of Australia's most amazing examples of Mid-Century Modern Architecture.

Perched on a near-level 720 sqm parcel with a desired north to rear aspect the current home includes 4 bedrooms plus study, separate living areas and expansive city and water views.

This property is ready for renovation or re-development with a current D.A. approval for a stunning new bespoke design by award-winning architect Ed Lippmann.

A rare opportunity in a secluded position on the point, moments to Ferry Wharf, Greenwich Baths and Sailing Club. Greenwich School and Village shops are close by.
